

The image shows a schematic of a book cover. A vertical yellow line represents the spine, positioned slightly to the left of the center. Two red semi-circles are attached to the right side of the spine, one in the upper half and one in the lower half. The entire cover area is enclosed by a double-line border, with the inner line being green and the outer line being blue. A large, light gray watermark with the word "Cover" is centered on the right side of the cover.
